Pie	A delicious-looking apple pie. (Player name) can still smell the sweet cinnamon, apples, and sugar baked into it, and the sight of the flaky crust makes (their) mouth water.				
Key	A small gold key. It could be useful for unlocking a door if needed.				
Hammer	A hammer that (X character gave) to (Player) as thanks for helping them out. It's sturdy enough to break something.				
Notebook	A notebook belonging to (Y character) that (Player) found. Surely they would like it back at some point.				
Harp	A pleasant harp that the maiden left behind after (Player) freed her from her curse. It's so nice, it's a shame that she just let it go.				
Fish	A smelly old fish (Player) found at the bottom of a barrel. Phew, it stinks!				
Rope	Some sturdy rope that (player) obtained from the inn's cellar. It'll be handy for climbing later on.				
Sled	A fine wooden sled, big enough to fit (Player) and use in icy environments.				
Preserved meat	Preserved meat. Salty, juicy-looking, and a great way to sate (Player)'s appetite.				
Flute	A beautiful flute that (Player) received from the princess. It has a pleasant tune whenever (they) play it.
